“Ralph Dagza”

By: David

We all have a hero in which we look up to and respect. My hero is a man who is named Ralph Dagza. He has fame, money and hustle. He, in my eyes, is the true definition of a hero.

One reason Ralph is my hero is because he possesses the characteristic of fame. One way I think he has gained fame was by his sense of humor, though i have heard not so much of it, the things i have were quite funny. Another way he's gained glory in my heart is how he got Nick Tirikos and Chris Hoffman to know who he was "cough" because I told them "cough". They claim to think he likes them more but he likes me more even if he doesn't know that. He's got a website too, ive only been on it like twice. But Chris Hoffman slept through it because he copies off of me but cant follow through.

Money usually can make a person cool but this isn't the only thing Ralph needs. With his money it looks as if he buys the flyest clothes out there. Even though ive never seen his shoes I think they probably look cool. He seems rich to because if it really is his backyard then it looks cool. Chris Hoffman aka a poser who think he loves Ralph more fell asleep during the video so he wouldn't know though.

Hustle like a toaster and skillful like ability. I saw him play dance dance revolution and he inspired me to play and buy it. One day i hope to battle him in that game. I don't know if he was really on one but it seemed like every time I saw him he was with a girl on a date. I've only seen him 2 times but still. Also he has a crew with him all the time called pinkprank i think. Chris Hoffman aka a poser who thinks he loves Ralph Dagza more only saw them once so he wouldn't know.

Fame. Money and hustle. All things my hero Ralph Dagza has. He's, even though i barely know him (not at all really), cool. I hope to one day meet him for real so I can make fun of Chris Hoffman who thinks that he's cool because he thinks he's talk to him more when in fact I have.
